Jim Donohue, an international Cerner consultant, has worked on Cerner projects both in the US and the UK for The HCI Group. In this presentation Jim shares his insights on CPOE Cerner Powerplan Building 101.

CPOE Cerner Powerplan Building 101 | SlideShare Presentation

Cerner® computerized provider order entry (CPOE) reduces costs and improves patient care through a centralized and automated workflow. With Cerner, physicians, nurses, pharmacists and other authorized caregivers view patient status, consider evidence, enter orders, document their actions and share information in a single, easy-to-use patient record.

CPOE | Cerner Corporation

This training program and certification option are recommended for individuals who perform assistive services in their practices and have sufficient knowledge, experience, and training to properly handle any such alerts that may appear when entering orders into the CPOE system.
