### Changing Poverty Changing Policies Institute

Changing Poverty, Changing Policies documents how economic, social, demographic, and public policy changes since the early 1970s have altered who is poor and where antipoverty initiatives have kept pace or fallen behind.

### Changing Poverty, Changing Policies (Institute for ...

Robert Haveman argues that income-based poverty measures should be expanded, as they have been in Europe, to include social exclusion and multiple dimensions of material hardships. Changing Poverty, Changing Policies shows that thoughtful policy reforms can reduce poverty and promote opportunities for poor workers and their families. The authors' focus on pragmatic measures that have real possibilities of being implemented in the United States not only provides vital knowledge about what ...

### The changing geography of US poverty - Brookings

This article explores the influence of politics and institutions on poverty and inequality. It first considers the general contention that poverty is shaped by the combination of power resources and institutions. On one hand, scholars in the power resources tradition have emphasized the role of class-based collective political actors for mobilizing "power resources" in the state and economy.
