Night Sky Dragons. Yazul, a young boy, spends most of his time with his grandfather in his workshop, making kites. More than anything, Yazul wants the approval of his father, the lord of the han, but this love of kite-making only ever seems to elicit disappointment: "Travel and trade are what matters," his father says.

The Night Dragon's design is based upon the Poison Dragon's, although there are differences between the two. The Night Dragon is currently the 3rd non-diamond-type single type dragon that can be bred without using basic dragons. Ex: Breeding a Mist Dragon with an Familiar Dragon can result in a Night Dragon because the correct types are present.
