The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

The Impact Of Advertising Sales

Lately I've been re-reading David Ogilvy's 1983 classic, "Ogilvy on Advertising" to see how much has changed — and how much has remained the same — in advertising over the years. One constant is the challenge of how to measure sales impact in advertising, and the tension of long-term brand building versus short-term direct response.

The leads they provided were good, but Marketing feels the Sales team haven't done their job. They didn't connect with the lead the needed 6-7 times to drive the engagement. So the story goes on and a dark side emerges: a negative environment is caused by animosity between the Sales and Marketing teams. This spirals into silent wars, more misalignment and this ultimately impact your bottom line.
